

Policrom SPF Wash

Description

Policrom SPF Wash is formulated for use on small presses. It is fast-drying with a pleasant, minty fragrance, which is especially good in odor sensitive conditions. It is ideal for hand use or automatic wash-up attachments.

Directions

Blankets: Apply Policrom SPF Wash with a saturated cloth and wipe blanket clean.
Rollers: Apply to top rollers and remove ink with cleaner sheet or cleaning blade.

Product Need and Usage

Policrom SPF Wash is formulated to meet the particular needs of the quick printer. Where fast cleaning and drying is required, coupled with a pleasant odor and safety, Policrom SPF Wash is the premium choice.

Features

- * Very fast drying - speeds up wash time.
- * Quick, multi-action formula.
- * Gets rollers and blankets deep-down clean.
- * Leaves no oily residue.
- * Non-photochemically reactive.
- * Will not damage rollers.
- * Pleasant, minty fragrance.
